Aims and Scope

Europace — The European Journal of Pacing, Arrhythmias and Cardiac Electrophysiology of the European Heart Rhythm Association and the Working Group on Cardiac Cellular Electrophysiology of the European Society of Cardiology aims to provide an international forum for top quality European and international original scientific work and reviews in the fields of Arrhythmias, Pacing and Cellular Electrophysiology. The Journal offers the reader a collection of contemporary original peer-reviewed papers, invited papers and editorial comments together with book reviews and correspondence.

Drug disclaimer

The mention of trade names, commercial products or organizations, and the inclusion of advertisements in the journal does not imply endorsement by Europace, the editors, the editorial board, Oxford University Press or the organization to which the authors are affiliated. The editors and publishers have taken all reasonable precautions to verify drug names and doses, the results of experimental work and clinical findings published in the journal. The ultimate responsibility for the use and dosage of drugs mentioned in the Journal and in interpretation of published material lies with the medical practitioner, and the editors and publisher cannot accept liability for damages arising from any error or omissions in the journal. Please inform the editors of any errors.

Material disclaimer

The opinions expressed in Europace are those of the authors and contributors, and do not necessarily reflect those of the European Heart Rhythm Association, the European Society of Cardiology, the editors, the editorial board, Oxford University Press or the organization to which the authors are affiliated.
